The EYES Have It

The B Spot, established by Rashida B., is Chicago's only dedicated eyebrow shaping and lash extension studio. If you're looking for privacy and flexibility, this posh, pampering place is just for you—and your groom (considering they offer services for both the guys and gals)! Operated like a private club, clients enjoy the benefits of personal attention, discretion and confidentiality, not to mention the much talked-about talents of The B Spot team. Need help getting your brows ready for the big day? Rashida will help you create a plan to get your brows grown and shaped to perfection so you'll be ready to shine when you walk down the aisle!
