## Salon or **nightclub**

With its exotic Indonesian decor, a DJ and complimentary wine or champagne with any service, **Sole Nail Lounge & Beauty Emporium** in Wicker Park (773-486-7653) has become the city's hottest spot for nails. The 2,000-square-foot nail salon is doing a booming business in private soirées, including showers and bachelorette parties. You can request a DJ who specializes in hip-hop, '80s dance tunes or country music, and even bring in your own food and bartender. One client hired a tarot card reader and set up a belly dancing class. Besides nails, the salon is known for resident brow expert Rashida B. who can also do makeup consultations for the bridal party and airbrush foundation for weddings. The non-girly decor makes it a comfortable spot for coed bashes, too. In fact, Sole has already been the scene of two proposals, says owner Trina Hatchett. Grooms who want to hear a yes (instead of "hold on a minute") wait for their beloved to finish her manicure before they whip out the ring.
